NEWFOUNDLAND CERTIFIED AND APPROVED TEST KITS

Our range of medical test kits has undergone rigorous testing and has secured approvals and registrations from various Regulatory Authority Bodies. These endorsements encompass approvals from the UK Government, and registrations with authorities such as the Medicines and Healthcare Regulatory Agency (MHRA), and the United States Food and Drug Administration (FDA). No further regulatory clearances are required. Additionally, our products carry CE marking and hold ISO 13485 certification. Certain test kits hold specialised accreditations, all clearly indicated on the product packaging. This diverse spectrum of approvals reflects our unwavering commitment to ensuring the safety and effectiveness of our test kits across different regions and contexts.
